Leading off the 2021s I was able to taste from Maybach, the 2021 Cabernet Sauvignon Amoenus is flat-out brilliant and has a layered, perfumed, almost exotic style in its black and blue fruits as well as spicy, floral, incense, orange blossom, and gravelly earth-like aromas and flavors. It shows the concentrated yet vibrant, focused style of the vintage, has full-bodied richness, beautiful tannins, and a gorgeous finish. This powerful, structured, incredibly impressive Cabernet Sauvignon deserves 4-5 years in the cellar and will evolve for two decades at a minimum.
